Welcome to IMAGE 2018

the 9th INTERNATIONAL LIVE ENDOSCOPY COURSE
ENDO GLOBAL EVENT

For the 9th consecutive year, we are again committed to bring to Milan, Italy, the latest international innovations in Gastroenterology and GI tract Endoscopy.

The Program will include an update of hot-topics ranging from precise diagnosis to advanced therapeutic endoscopy. Our International Faculty composed of the world's leading Experts, will perform live cases and will discuss how to provide the best patient care options.

The event aims to improve basic and advanced endoscopic knowledge creating a connection between everyday clinical practice and innovative technical aspects of interventional Endoscopy.

Co-Directors, Endoscopy staff and the entire Humanitas Hospital organization would like to give you all a very warm welcome to our city and our meeting.

Thank you for allowing us to share our philosophy of patient care.

Wishing everyone at IMAGE all the very best!

City Tips

"Milan is the city that best represents the international face of Italy. Designing in Milan brings us into contact with the most modern face of Italy"

Zaha Hadid, Arata Isozaki and Daniel Libeskind

Milano City Life is the city's latest wonder born from the innovative and forward-thinking look of the city. It is one of the newest redevelopment projects and its three towers, including a large shopping center are a prominent part of the city's business district. It may be reached by the Metro, Line 5 getting off at Tre Torri. It hosts Food, Fashion and Entertainment.
